

SUMMER SCHOOL PROGRAM UPPER CHILD CARE 24 JUNE -14 AUGUST 2019

Dear Parents,

We welcome you to our summer school program . The children are anxiously awaiting the start a new experience and adventure.

The children will learn basic skills in different environments as they have done in the past years. This will help to strengthen and build the children social skills as they interact together to appreciate friendship and nature.

Our staff will help and guide the children as they learn and discover through our Summer school activities. Projects, field trips and free play will provide the children with a unique opportunity to acquire new basic social skills.

our weekly themes are as follows:

week 26/27 Free Rainbow fish

week 28/29 Transport

week 30/31 Animal Zoo

week 32/33 Free play

Norsk2 47482156

Prekid 47482082

Kindgarten 47481549

Thank you for helping us care for the children.

We wish you a wonderful Summer holiday.

Child Care Staff

Please be reminded that all children should be in at 9:30 for our program.

Contact us if you need help.
